First Call

Welcome to ICAPST

The Department of Physics welcome you at ICAPST, a distinguished platform for all scientists, academicians, scholars, and industrialists to share recent fundamental and technological developments in the diverse fields of physical sciences. The conference will provide an exciting opportunity to present ideas, the latest research, and discuss science, technology, policy, and associated critical challenges. The conference encourages young scholars/students to present their research findings, offering a rich opportunity to interact with eminent speakers/experts, project developers, researchers, and scientists. With an emphasis on both fundamental and applied research, the conference's vision is to connect and explore scientific advances in support of a global mission for sustainable development.

About the University

University of Rajasthan is the largest state university in Rajasthan (India), founded in 1949, located in Jaipur City, and has a prestigious NAAC A+ grade accreditation. Over the years, the University has redefined itself by meeting the challenges of changing trends in the educational system and has made a significant contribution to the field of higher education. The past seven decades have been remarkable, with the landmark achievement of the University with Potential for Excellence.

About the Department

The Department of Physics, established in 1960, offers postgraduate and PhD programs. The Department's research activities have been supported by distinguished national and international agencies, UGC, SERB, DEIT, DST, CERN, BRNS, DRDO, CSIR, MNRE, UGC-DAE CSR, IUAC, and ISRO. The Department was awarded the status of "Centre for Advanced Studies" by UGC for the period 2015-2020. The Department's major research focus encompasses Materials Science, High-Energy Physics, Plasma Physics, Nuclear Physics, Solar Energy, Hydrogen Energy, Biophysics, and Microwave Electronics. The department is well-renowned globally for the scientific achievements of its faculty and alumni.

-  **Prof. K.S. Reddy**, IIT Madras, Chennai, India
-  **Prof. Ashmore Mawire**
North-West University, South Africa
-  **Prof. Paolo Mele**
Shibaura Institute of Technology, Tokyo, Japan
-  **Prof. Kedar Singh**, JNU, New Delhi, India
-  **Prof. A. A. Sagade**
Universidad de Tarapaca, Arica, Chile
-  **Prof. M. Vanierschot**
KU Leuven, University, Belgium
-  **Mr. Rabindra Kumar Satpathy**
Emami Power (India)
-  **Dr. Harphool Kumawat**
BARC, Mumbai, India
-  **Prof. Kamleendra Awasthi**
MNIT, Jaipur, India
-  **Prof. Amare Abebe**
North-West University (NWU), South Africa
-  **Prof. Manish Dev Shrimali**
CU, Ajmer, India
-  **Prof. Subhashish Banerjee**
IIT Jodhpur, India
-  **Dr. Y. K. Gupta**
BARC, Mumbai, India

Conference Theme

- Advances in Nuclear Science
- Advances in Plasma Physics
- Agrophysics & Technology
- Biomaterials & Applications
- Electric & Thermal Energy Storage
- Environmental Remedies
- High Energy Physics & Cosmology
- Hydrogen Energy & Technology
- Material Science & Applications
- Materials for Solar Cells
- Microwave Electronics & Communication
- Nanomaterials & Nanotechnology
- Photonics & Optical Devices
- Quantum Computing & Artificial Intelligence
- Solar Thermal Technologies
- Waste Management
- Trends in Wind and Biomass Energy

Registration Fee (Early Bird)

Category	Indian & SAARC Participants (INR)	Foreign Participants (USD)
Scholars/ Students	2500	150
Academician/ Faculty	3000	250
Industry person	4000	350
Attendees	1000	100

Abstract Submission: 1 July 2026
 Full-length paper Submission: 15 August 2026
 Early Bird Registration: August 31, 2026
